WHAT WE'RE ALL ABOUT

We take a few things seriously – the authenticity of our homemade-from-scratch Mexican food (sorry, no ground beef here), the exact ratio of agave nectar to fresh lime juice in our housemade margaritas (nix the mix), and the importance of serving up fresh tableside salsa (we know, it's yummy). But, we don't take ourselves too seriously. We make good food and have fun doing it. So sit back, relax, and allow us to take you on a mini vacation to Mexico as you enjoy the sights, sounds, smells, and tastes of Miguel's.
